New Features

Request financing enquiries directly on greenmatch

- You can now **request financing enquiries** for long-term loans, construction loans, advance respectively interim financings or refinancings directly on greenmatch. Just leave a short description of your project and describe the desired financing and greenmatch will contact you to discuss your enquiry and the further procedure.

To request a financing inquiry just click on "Request a quote" in the "Debt" section, fill in the input forms and click on "Send financing request".

The screenshot shows the 'Debt' section of the Greenmatch interface. It features a 'New Entry' button and a table with columns for 'Issuances', 'Redemption', and 'Interest'. Two loan entries are visible:
